

## **Wollongong College Australia (WCA) – The Pathway to the *University of Wollongong (UOW)*** **FOUNDATIONS & DIPLOMA COURSES**

“ The Foundation Studies Program is the most exciting course I have ever experienced”  
Anson Wong – Hong Kong Citizen Graduate.

- Internationally renowned University
- Only 90 minutes from the Sydney City Central
- A personalised education with more student focus
- Study with Australians for the complete student experience
- World-Class reputation for employment prospects

**WCA is located on the UOW Campus - WCA students have access to all campus facilities and university activities**

The University of Wollongong for the 3<sup>rd</sup> year in a row has been placed in the top 2% of Universities in the world\*and continues to maintain its outstanding reputation for graduate employment ratings^.

WCA is the pathway college to the University of Wollongong. WCA has over 20 years experience and has produced over 22,000 graduates. WCA is located on the university grounds which allow students access to all university services. Students are integrated into the university way of life including admission to the many affordable accommodation campuses.

Only 90 minutes south from the centre of Sydney City, Wollongong provides a student focused environment that escapes the distraction of the larger cities and allows students to study with local Australia students. Wollongong is a located on the beautiful southern coast line of Sydney; it features Australia’s most attractive beaches and is home to a multicultural city centre with a mix of restaurants, shops and entertainment.

Currently WCA is offering scholarships to Hong Kong students – if you are interested in finding out more.... (agent to complete –eg visit age)
